

Thank you is the same character repeated. Trace here to practise:

There are 3 parts to this character, and they are written in this order:

丶 The dot on top, then the bottom hook

身 The dash at the top, the left side of the 'box', across the top and down the flag pole (with a flick at the bottom), take your pen off the paper and go back up for 2 small lines inside the box, complete the box with an extended line, then finish with the diagonal

寸 The horizontal line, the vertical line with hook at the bottom, then the dash

Have a go at writing the whole character yourself:
